Please bring your feast gear and let your imagination run wild. Candles are allowed, but this is a DRY site.

However, if there is a desire for the fighters to play in the snow...we have permission to use the back fire door on the stairwell that takes us to the back of the church. Their Highnesses are coming, and will most likely be bringing Their armor...so please feel free to take advantage of this training opportunity.

The months fly swiftly by and we find Summer drawing to its close. As the cold season draws ever nearer, we tuck away our camping implements and prepare for the cozy indoor activities of Winter. As the days become cooler, and the first snow approaches, we look forward to gathering in the company of friends, in order to share the knowledge we have gained, that others may benefit from and enjoy it.
