### Words from Karl and Elisa, Prince and Princess of Oertha

The termination dust has made its way down the mountains and the snows begin to fall upon Our lands. It is time to turn Our attention to hearth and home, and to prepare for the upcoming Yule season. We look forward to traveling to the celebrations throughout the Principality, to breaking bread together, and to tales of great deeds in story and song. Then We will journey south again, to witness the crowning of the new King and Queen at Twelfth Night.

The autocrats for Our Coronet Tournament have been hard at work preparing an amazing event. We hope to see as many as are able enter the coronet list. There will be a special activity for the consorts as well; those who plan to fight are requested to make their intentions known to Us by Twelfth Night so that the autocrats may know for how many they should prepare.

His Highness' Whim – Dress a fighter. Includes both the fighter's armor and garments (overall appearance). Prefer for the fighter to be there and show off during one of the tournaments, but those who are not able to attend can send in a photo album (hard copy please). The person(s) who did most of the work are the entrants, which means non-fighters are welcome to enter by dressing a victim, er, fighter. Points added for historical accuracy and documentation.

Her Highness' Whim – Best period use of lavender (the flower). Points added for historical documentation.

To help the populace meet the challenge of His Highness' Whim, We have Oerthan blue trigger cloth available for any who wish to make an Oerthan fighter tabbard that is appropriate to his or her persona. The tabbard is your personal property, and the fabric (up to three yards per person) is FREE, a gift from Us, to any resident of the Principality. The fabric is also available to groups for making regalia, also FREE. Please contact Us at [oerthancoronets@yahoo.com](mailto:oerthancoronets@yahoo.com) to request yardage.

The Baron and Baroness of Winter's Gate have put forth a call to select their successors. We are saddened to see them step down, but understand that they wish to pursue other interests. We thank them for their service and wish them well in their new endeavors. We encourage the residents of Winter's Gate to consider entering the selection process, and to provide feedback on the candidates, so that a wise decision can be made.

### Selviergard Yule A&S

For Children 3 - 13 and Adults 14 +!

Making Rock Candy is easy and fun to do with your kids. Hey, it's just sugar and water!

Here is a website to teach you how to do it:

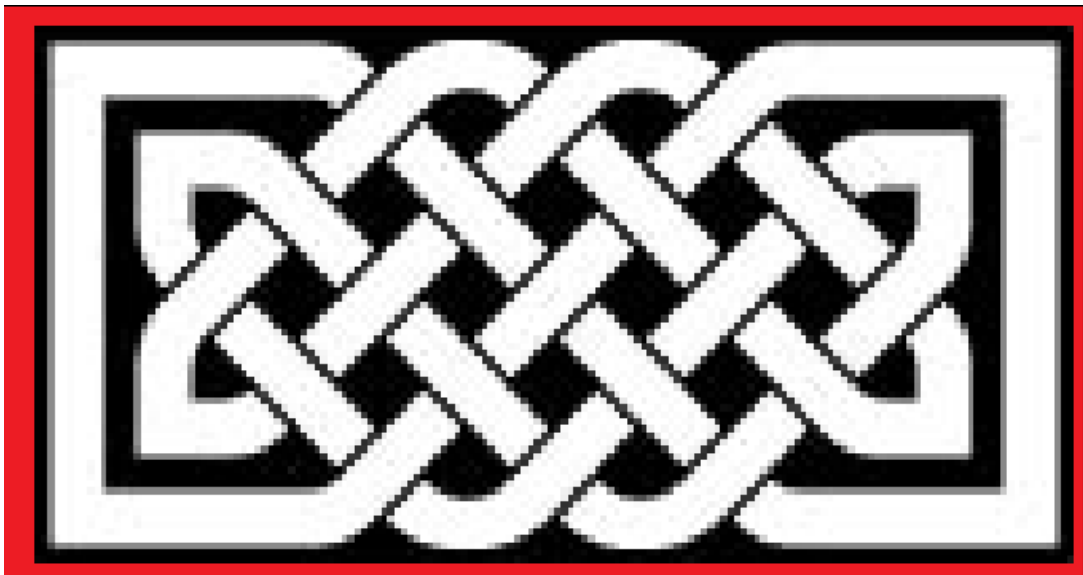

<http://www.exploratorium.edu/cooking/candy/recipe-rockcandy.html>

Please supervise your children while making the sugar solution, it's very hot and sugar burns are the absolute worst kind!

Make as many strings as you like. You can add color and flavor as well. Here's a hint... if you use a tall slender jar you'll get longer strings than using a shorter, fatter jar.

Entries will be hung on the Yule tree as decorations at the December 6th event. Prizes will be awarded for the biggest string and for the most entries in both age levels.

grins,  
Heleyne

### FROM THE AUTOCRAT

There are no words in any language on the planet that can express my gratitude for all of those who helped me make the Newcomers Event the success that it was. There are a few I would like to thank although there are so many that I hope no one feels left out.

To the Baron and Baroness of Selviergaud- Thank You just doesn't do it. Your support and information for every aspect of the event made it was it was. I am so very grateful.

To Signora Giuliana - Thank you so much for being so willing to teach the classes with such enthusiasm and joy. You are an asset to the Principality.

To Lady Rolynda- Thank you for all your help and support with the Hunt and the Contests. I value you insights and your friendship. Thank you.

To Sean, Baronial Marshall and Baron Stephen- Thank you for such a wonderful tournament and such a wonderful time watching the fighters stretch themselves. You put in so much thought and time. Thank you.

To anyone else I might have missed Thank You. My first event couldn't have been more wonderful. It even inspires me to put my name back in the hat to do it again (but not too soon, lol).

Again, Thank You Oertha.

Humbly,  
Lady Nore the Knitter

## **Palmer State Fair Demo Encampment**

Saturday WAS a beautiful day at the Fair! We had a great time, the sunshine was marvelous... it actually got hot! Thanks to the 42 hardy souls who came out and played, it was a very successful demo indeed.

Although we had a last minute change of site it actually worked in our favor. There were a lot of people coming through our encampment to talk to us and check out the arts and sciences, the armor and weaponry, play with the boffer equipment.

Elizabeth and Shannon provided lovely music at the encampment. Occasionally Fathir and Etain would bring out their drums and wander through. It made for great ambience.
