People of Oertha, do Fathir and Etain, Prinz and Princess of Oertha send greetings,

We thank those who have helped make our reign enjoyable and who have reminded us of the admirable qualities found in Oertha! We have traveled to several areas and hope to venture to many more. Our trip to March Crown was very memorable and marked by the bravery of those who took the field in honor of their consorts. To those who made the arduous trip to West Kingdom March Crown, we cannot thank you enough. You showed the might of Oertha whether you were fighting or helping with escort duties. A hearty "huzzah" goes out to Duke Fredrick and Countess Eilis for hosting us in their camp and making sure we had all that we needed. Also to Baron Georg and Baroness Katarzina for being our guide, our escort and helping us be in the right place at the right time. Thanks also to Lady Amber for taking Her Highness around to meet all the people with glowy things during the party on Sat. night. We look forward to additional traveling within Oertha and to a trip out of Kingdom to Ansteorra where we first joined the SCA game that is so great. We encourage all members of the populace to attend Purgatorio/Coronet in Aug. Finally, let us show those from Central Kingdom what a wonderful place the Northern Borders of the West Kingdom are. We would also love to see every fighter that wears the heavy armour in the Coronet tourney for each fighter adds to the honor of the whole tournament. Let us strive to make this the largest field yet, so that the whole of the West Kingdom may know that we are mighty fighters; and that Oertha is forever!

Greetings Good People of Oertha!

Ah Spring! And the beginning of our busiest season. There are a goodly number of events all over the Principality, I encourage everyone to participate in as many locales and events as time and finances will permit.

This month: the Fantastic Fairytale Fete in Pavlok Gorod this coming weekend, April 18th. This 4th annual event featuring a Medieval Science Fair, celebrates tales from all cultures. Then Winter's Gate Fool's Revel, bring out your silly garb

and prepare to have a foolishly good time. Contests include 'The Fool's Tools'. There will be a heavy tourney for the Champion of the College of St Boniface. Beginning the merry month of May – the Shire of Hrafnafjordr on May 2nd – Birthday/Day of Blood combined event, for those who are unable to travel South to Kingdom Beltane to celebrate the SCA's XLIV Birthday, come to the Peninsula for A&S classes, tourneys and fun.

Earngyld will be celebrating their own elevation to full Shirehood at the Ice Giants event on May 9th in Juneau with games, dancing and and A&S display. Rumors of a Viking conflict at Stamford Bridge arise from the Barony of Eskalya. Attend May 16th and see if the outcome of the historic battle will have to be rewritten.

North to Winter's Gate for the Memorial Day weekend Spring Captaincy event on the 23rd – 24th. Details to come.

Then back South to Selviergard for Spring Offensive for a 3 day bash ~ May 29th – 31st. There will be flying chickens, horrible French accents, tourneys and llamas. The Tavern is back, under a new name, The Swinging Rooster, stocked with Lord Alaryn's finest brew, both alcoholic and nonalcoholic. Find all the details for S.O. on the new Selviergard website: selviergard.info

The whole summer is filled with opportunities to travel, play and volunteering with events and demos. Look for all the details on the Oertha Yahoo List. The biggest event of the year is the combined Kingdom and Principality event ~ Purgatorio/Oertha's 50th Summer Coronet August 14th -16th in Anchorage. The last time Oertha hosted an event of this magnitude was 17 years ago.

And there are still meal fund raiser spots available. Contact Lady Adisa at [\[removed\]](#) for more information on how you can add to your groups coffers. Keep checking the website at oertha.westkingdom.org/OerthaPurg.htm to make your reservations and stay abreast of all the latest details as they become available.

Grins,

Principality Seneschal

Greetings from the Principality Exchequer;

I would like to take this opportunity to thank all the branch Exchequers for their service to their groups - I am pleased to work with such a fine group of individuals. I would also like to thank Dame Elspeth for accepting the role of Regalia Officer so that I could focus on these duties.

In other news, the Principality coffers are in good health, and several projects are in the works. Look for our new sunshade this summer!

Lastly - if you have not yet gotten a copy of the "Oertha Cooks!" cookbook, you should contact myself or Mistress Alienor. We have less than 30 books left, and hope to run out by the end of Purgatorio this summer. Don't miss out!

Good Day Gentiles of Oertha,

The Shire of Hrafnafjörðr is taking another step into history. There are changes to our officer roster.

The two big changes are Lady Adísa hrafn Úlfsdóttír is now our Herald. She is rostered with Kingdom. Hazzh! The other is Duncan Scymgeour of Dundee is now the Seneschal.

We are really concentrating on becoming known through out our community so we can grow our numbers.

Besides, it's just fun if there are more people to play with. Everyone is welcome to attend any of our local events & demos.

Look for a bag lunch offered by our group at Purgitoiro. We will have a choice of sliced meats sandwich, fruit, a drink and other small munchables.

All this for the low price of \$5.00. The proceeds will go to helping the Shire grow in Regalia and Gold Key.

So thanks in advance for your support. See you at Purg!

**In Service,
Amber of Hrafnafjörðr
Outgoing Seneschal**

Autocrat 101
Lady Heleyne de Aveberia

Herein lie bits of wisdom gained from my experiences as an autocrat at events large and small.

Events don't just happen!

Planning an event takes time, energy and thought. Pick a theme or activity to base your event on. For example, it could be a Tourney, Feast, Holiday/Holy Day, an Era or Culture, just to name a few. Do some research... how did our ancestors celebrate the event centuries ago? Has anyone hosted an SCA event in the past similar to the one you are planning? Getting feedback from others who have done a similar event will help you plan your own. Find out what works and what doesn't work. What activities and contests will be at your event? Will this be an event where the Prince/Princess, Baron/Baroness will be attending? Do they need to hold Court?

Keep your Seneschal in the loop!

Your Seneschal is the only one who can schedule the event with Kingdom. Make sure that you have written up your event copy at least 2 to 3 months prior to the event so that it can be sent to the Seneschal, who will then approve and/or revise, if need be, then send it on to be published in the Kingdom Page, making it an official event. Only at events advertised in the Page do awards given by Royalty (King/Queen, Prince/Princess) count as official. It also makes sure your event is covered by SCA insurance!

Money Matters!

The next step is putting together your budget. Your budget has to be approved by the Seneschal and authorized by the Exchequer. The amount of money doesn't come out of thin air. A bit of simple arithmetic based on the number of anticipated attendees will give you the dollar amount needed. Bear in mind the site fee needs to cover the costs of the event; site rental, food, port-potty rentals, additional insurance (if required), and general supplies all count toward the total.

There's no reason to go it alone.

Enlisting others to help you is always a good idea. Delegate, delegate, delegate! Give your volunteers jobs to do and let them do it. Do not micro-manage! Step in and help when necessary, but only when it's necessary!

Keep your volunteers happy. The SCA cannot function without volunteers, so share the kudos and praise, give credit where credit is due. Giving them an autocrat's token is a good way to say thank you in addition to public acknowledgment at Court.

Be flexible!

Semper Gumby! No matter how well planned, life can and will throw you a curve now and then. Just remember Life is full of surprises. Don't sweat the small stuff.

Remember to keep your head as well as your temper and most problems will resolve themselves or else some kind soul will take pity and step up to help you get things back on track again.

If and when you do encounter any problems with your event, contact the Seneschal so that they can help you!

Try to prepare for all possible contingencies. Monitor the weather, have an alternate site for outdoor events in case of foul weather. Have extra food on hand, drinking water, aspirin or ibuprofen, paper and pen, contact information for the site owners, extra waivers and change for the Constab Gate.

Have Fun!

A smiling autocrat can do wonders for the event. Take time to be with your "guests"! Make sure that you allot yourself "break times" in the schedule. Wear comfortable garb, keep hydrated and enjoy yourself!

Hail, Oertha!

This summer, as you may have heard, we will be host to the West Kingdom Purgatorio Coronation. This event is being combined with our 50th Coronet and Investiture, and we hope to have a grand event for all! For the weekend of August 14-16, 2009, we hope to see you all at Ruth Arcand Park, in south Anchorage. (site opens Thursday August 13 for set-up) Many activities are already planned, including classes, discussions, tourneys (and Roses fights!), and more.

We will have need of volunteers to help make the event as wonderful as possible, both before and during the event. If you are interested in being a part of this, please contact one of the autocrats or coordinators - see

<http://oertha.westkingdom.org/Purgatorio2009/OerthaPurg.htm> or email the autocrats at [\[removed\]](#).

Contests for Purgatorio & Coronet include the Kingdom competitions ("Everyday Art - embroidered accessory" and Research paper- "Blow thou, wind!"), Their Highnesses' Whims ("Anything Seige" and "Period Toys or Games"), and the Oerthan illumination contest sponsored by the Shire of Hrafnafjodr (postponed from Winter Coronet). An Arts & Sciences display is also planned, so even if you don't want to enter a contest, come show off your recent projects!

**More details will follow on the Oertha e-list as well as the event website. We hope to see you there!

Greetings Good Gentles far and near,

The Purg/Oertha team are pleased to announce that ACCEPS* is now up and running so that you may make your event reservations online for Purgatorio/Oertha's 50th Coronet event August 14-16. The link is <http://acceps.ansteorra.org/index.php>

This is also a good place to reserve feast as the number of feast tickets is limited! You may also pre-register online on the Purg/Oertha website, you won't be able to prepay or use your credit card but will pay onsite at the gate instead.

Bride of May Revel – Saxons vs. Vikings II: The Battle for Stamford Bridge

The Vikings think they can attack again. Silly Vikings. They have sailed across the North Sea from Norway with plunder in their hearts. It is not the plunder of our holy places this time, but rather the greatest prize of all, the throne of England, that they have set themselves to. A prize they shall be denied! Do they not recall their humiliating defeat at the hands of Alfred the Great, or at Tettenhall or Brunanburh? Even the woefully disorganized Irish managed to defeat them at Clontarf! Who then are these pirates to think they can over throw Holy Edward's rightful heir, Harold? Obviously they have been led to folly and it is the duty of all good Anglo-Saxons to show them the way home. Be it by map or by spear point.

And so, this notice goes now to the noble Saxons: the fyrd is mustered to Stamford Bridge and the Dingliap is called to ride north with Noble Harold.

War is coming and it is the duty of all good Englisc* to respond! For up to the week information on feast and activities visit <http://www.eskalya.org/mayrevel.html>

Site Information:

The event will be held at the picnic shelter at Kinkaid Park.

There is play equipment directly adjacent to the shelter, be aware however that you alone are responsible for the location of your children.

Directions: Travel west on Northern Lights Blvd until you reach Spenard thereupon you should turn left. Travel with all due caution upon that treacherous road as it turns into Jewel Lake (when it crosses International Airport Rd.). Do not chase false hopes of treasure hidden in that staid body of water, but rather turn right at the intersection of Jewel Lake and Raspberry and press on, neigh until the ending of the road. The Picnic Shelter is located behind the Kincaid Chalet. There will be signs!

Site fees, \$8 for members \$11 for adult non members, \$4 for those under 12.

Please make checks payable to "SCA, Inc.- Barony of Eskalya."

Winter's Gate Fool's Revel Saturday April 25, 2009

The Fools are coming! The Fools are coming!!

Come celebrate the return of spring and the ridding of cabin fever...the fools have been let loose! Don your silliest garb and let the fun fly! Break out your brightest colors, your gaudiest outfits! All are welcome to aid in shaking off the winter whites and cabin fever blues! There will be a prize awarded to whomever the populace finds as the most obnoxious or silly...so put on your thinking caps and run with it!

There will be a heavy tournament for the Champion of the College of St. Boniface. This tournament is open to all carded fighters, however, we request that the fighter should be a member of Winter's Gate or be fighting for a consort who is a member. After the tournament, there will be a Fool's Pas open to any and all interested fighters. Let's shake off those winter cobwebs and get the blood flowing again, shall we?

There will be an A&S competition for "Fool's Tools". This can be anything from a hat, shoes, scepters/baubles, belled baldrics, or even clothes. There are lots of good pictures out there to use as reference. Here are three good sites to get any research started. Remember, documentations in not required, but it does add points for judging.

<http://larsdatter.com/foolwear.htm>

<http://www.thenoodlebowl.com/jesters/>

<http://www.modaruniversity.org/Fool.htm>

There is also a Baroness' Whim for "spring sweets", desserts with a spring like touch to them...ie flower cookies or such. Be creative.

The competition for the Fool of Winter's Gate will be held during dinner. This competition is open to all

and will consist of rummaging through a box of "dress-up" supplies and then presenting a "performance piece" to the Baron and Baroness and the populace. This could be a song, dance, poem, charade...whatever my strike your fancy. After all, the art of being a good fool is thinking on your feet!

Dinner will be potluck style with one meat dish being provided by the Barony. Please bring a dish that will serve between 8-10 people. We ask that you remember that this site is dry, no alcohol.

The site opens at 10am and will close at 10pm. Site fee is \$5 for members, \$8 for non-members, Ages 12 and under are free. SITE FEE WILL BE WAIVED if a toy rated for ages 0-3yrs of ages is donated for the Winter's Gate Children's Toy Box. We encourage these toys to be at least period in appearance if possible (wood, cloth, etc...).

The site is the Earl and Pat Cook Boy Scout Center at 1400 Gillam Way, off of Airport Way past the Two Dice Pawn Shop.

Any questions, comments, suggestions etc, please contact the Autocrat.
